

Neuroscience Program Form 3a
Report of Supervisory Committee
Submit to Neuroscience Program office after each committee meeting

Date of Committee meeting: _____

Committee members present: _____

Didactic Work Completed: (please or enter #)

- ___/ 2 Neuroscience Seminars: NEUSC 6010
 Cellular Neuroscience: NEUSC 6040
 Systems Neuroscience: NEUSC 6050
- ___/ 4 Neuroscience Program Rotations: NEUSC 6900 (4x)
 Neuroanatomy: NEUSC 6060
 Neurophysiology Laboratory: NEUSC 6245
 Developmental Neurobiology: NEUSC 7750
 Research Ethics: INTMD 7570
 Grant or Scientific Writing: PH TX 6690 or BIOEN 6080
 Quantitative Sciences: PSYCH 5500/5510 or PH TX 6680 or ONCSC 6150
 Advanced Didactic Training: _____
 Advanced Didactic Training: _____
 Advanced Didactic Training: _____

Summary of Progress (Note critical factors such as execution of experimental work, analytical skills, independence, quality of presentations, notable strengths and/or weaknesses). Specify plans to complete coursework. Use additional pages or back if necessary. Note any other factors impacting program of study.
